Certification

This is to certify that Hi-Cap UW, as manufactured by Kaufman Products, Inc., Baltimore, Maryland, is a quick setting, cementitious patching and finishing compound that is chemically engineered for use underwater in fresh, brackish, or salt water environments. HiCap UW is composed of special portland cements, graded and washed silica aggregates, unique accelerating additives, anti-washout admixture, migratory corrosion inhibiting agent, workability agents and water reducing agents.

In addition, HiCap UW complies with all aspects of ARRA Section 1605 Buy American Act requirements.

I trust this meets with your approval and if I can be of any further assistance, please do not hesitate to contact me.

Sincerely,

KAUFMAN PRODUCTS, INC.

Alex S. Kaufman
President
